## PREFACE

A current national bibliography is a mirror that reflects the intellectual trends and current interest in various discipline of knowledge by any country by listing its publishing output. Not only does it serve as an historical recorder, but when distributed to other countries, it serves as a 'window' to intellectual heritage of that country.

This volume includes Books published in Pakistan and received in National Library of Pakistan, Islamabad under the provision of Copy Right Ordinance 1962, revised act 1973, 1992 and amended ordinance 2002.

The 2019 annual volume of Pakistan National Bibliography is presented for the benefit of researcher, academia and intelligencia as well as for the public at large. This volume contains newly published material deposited in National Library of Pakistan, Islamabad during the year 2019 under Copyright law prevalent in the country.

The following categories of publications are not included in Pakistan National Bibliography as per policy:-

- The keys and guides to text-books and ephemeral material such as publicity pamphlets etc.
- Musical scores
- Periodicals (except the first issue of a new periodical and the first issue of a periodical under a new title)

Pakistan National Bibliography has two parts. One part contains the bibliographical details of **300** "English and other European languages books" while other part shows bibliographical details of **950** "Urdu and other oriental languages books". Total number of books included becomes **1250**.

Subject wise number of books in the current volume is appended below:-

Each part is further organized within three sections; classified, Index and list of prominent publishers.

## Classified Section

The bibliographical entries of this section are arranged in numerical sequence according to their classification number. Within the same classification number, the entries are arranged alphabetically. Accession number of the book is added at the end of the entry.

## Index

This section contains titles, subject headings, names of authors, joint authors, compilers and translators with bibliographical detail of the book. All these entries are arranged alphabetically. To find out the complete detail from classified section, classification number is given after each entry.

## List of prominent publishers

A list of those prominent publishers whose books have been included in this issue is provided with their addresses to contact them easily by the users of Pakistan National Bibliography.

## Complements

This issue of Pakistan National Bibliography would not be possible without encouragement and patronage of Syed Ghyour Hussain, Director General National Library of Pakistan. I admire the continuous hard work of my staff that left no stone unturned in the toil of composing, compiling and bringing this national publication in the present attractive shape. We look forward the opinions and suggestions for making this publication more fruitful and beneficial for the scholars.
